### ***Equal Opportunity Policy***

Hamilton Waste and Recycling Ltd is committed to the principle of equal opportunity in employment.

#### **STATEMENT OF POLICY**

Hamilton Waste and Recycling recognises that discrimination is unacceptable and although equality of opportunity is an important feature of our employment practices and procedures, we have made the decision to adopt a formal equal opportunities policy. Breaches of the policy will lead to disciplinary proceedings and, if appropriate, disciplinary action.

The aim of the policy is to ensure no job applicant or employee is discriminated against either directly or indirectly on the grounds of race, colour, creed, nationality, ethnic or national origin, religious belief, political opinion or affiliation, sex, marital status, sexual orientation or disability.

The company will ensure that the policy is circulated to any agencies responsible for its recruitment and a copy of the policy will be made available for all employees and made known to all applicants for employment.

The policy will be communicated to all contractors reminding them of their responsibilities towards the equality of opportunity.

The policy will be implemented in accordance with the appropriate statutory requirements and full account will be taken of all available guidance and in particular any relevant codes of practice.

The company will maintain a neutral working environment in which no worker feels under threat or intimidated.

#### **RECRUITMENT AND SELECTION**

The recruitment and selection process is crucially important to any equal opportunities policy. Hamilton Waste and Recycling Ltd will endeavour through appropriate training to ensure that employees making selection and recruitment decision will not discriminate, whether consciously or subconsciously, in making these decisions.

Promotion and advancement will be made on merit and all decisions relating to this will be made within the overall framework and principles of this policy.

Job descriptions, where used, will be revised to ensure that they are in line with our equal opportunities policy. Job requirements will be reflected accurately in any personnel specifications.

We will adopt a consistent, non-discriminatory approach to the advertising of vacancies. We will not confine our recruitment to areas or media sources which provide only, or mainly applicants of a particular group.

All applicants who apply for jobs with the company will receive fair treatment and will be considered solely on their ability to do the job.

All employees involved in the recruitment process will periodically review their selection criteria to ensure that they are related to the job requirements and do not unlawfully discriminate. Short listing and interviewing will be carried out by more than one person where possible. Interview questions will be related to the requirements of the job and will not be of a discriminatory nature.

Hamilton Waste and Recycling Ltd will not disqualify any applicant because he/she is unable to complete an application form unassisted, unless personal completion of the form is a valid test of the standard of English required for the safe and effective performance of the job.

Selection decisions will not be influenced by any perceived prejudices of other staff.

## **TRAINING AND PROMOTION**

Senior staff will receive training in the application of this policy to ensure that they are aware of its contents and provisions.

All promotion will be in line with this policy.

## **MONITORING**

Hamilton Waste and Recycling will maintain and review the employment records of all employees in order to monitor the progress of this policy.

Monitoring may involve:

The collection and classification of information regarding the race in terms of ethnic/national origin, the sex and disability of all current employees.

The examination by ethnic/national origin, sex and disability of the distribution of employees and the success rate of the applicants.

Recording recruitment, training and promotional records of all employees, the decisions reached and the reason for those decisions.

The results of any monitoring procedure will be reviewed at regular intervals to assess the effectiveness of the implementation of this policy. Consideration will be given, if necessary to adjusting this policy to afford greater equality of opportunities to all applicants and staff.
